Deposes and says:- I am presently going to school at Franklin D. Roosevelt High School and am in the 9th grade. I got out of school this morning to see the President of the United States when he came to Dallas. I was standing on the corner of Elm and Houston street. From where I was standing I could look across the street and see a large red brick building. I saw the President turn the corner in front of me and I waved at him and he waved back. I watched the car go down the street and about the time the car got near the black and white sign I heard a shot. I started looking around and then I looked up in the red brick building. I saw a man in a window with a gun and I saw him shoot twice. He then stepped back behind some boxes. I could tell the gun was a rifle and it sounded like an automatic rifle the way he was shooting. I just saw a little bit of the barrel, and some of the trigger housing. This was a white man, he did not have on a hat. I just saw this man for a few seconds. As far as I know, I had never seen this man before.
